OUR CAPABILITIES

5 Axis Machining

Boring. Broaching. Counterboring.
Cutting. Drilling. Facing. Internal
forming. Knurling. Milling. Parting.
Profiling. Reaming. Spline. Tapping.
Threading. Turning. Thread milling.

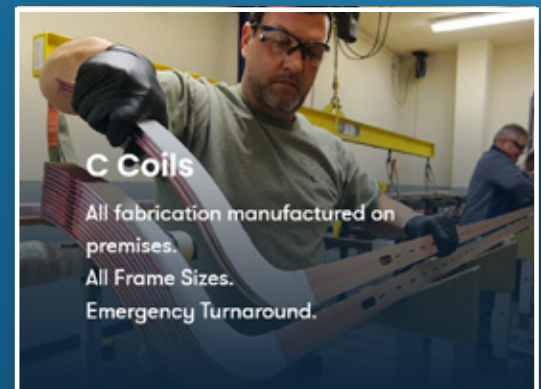

CNC Milling

Vertical Milling up to 120"
Horizontal Milling up to 120"
3, 4, 5 Axis Capability.
Carbon, steel, aluminum, copper,
stainless steel, bronze, brass.

CNC Turning

Horizontal turning.
Vertical Turning North of 120" diameter.
Traditional gap bed lathes.

C Coils

All fabrication manufactured on
premises.
All Frame Sizes.
Emergency Turnaround.

Value Added

OD and ID Grinding.
Swiss Machining.
Sinker EDM.
Wore EDM.
Gun Drilling.

Certifications

ISO 9001:2015
ASME.
ITAR.
AS: 9100 (REV D)
